DOM 3/4/6/8

SNAPPER 3/4/6

I Se è richiesta un'altezza diversa da 1200 mm tagliare il profilo come indicato in figura. (togliere il tappo, tagliare, limare e rimettere il tappo).

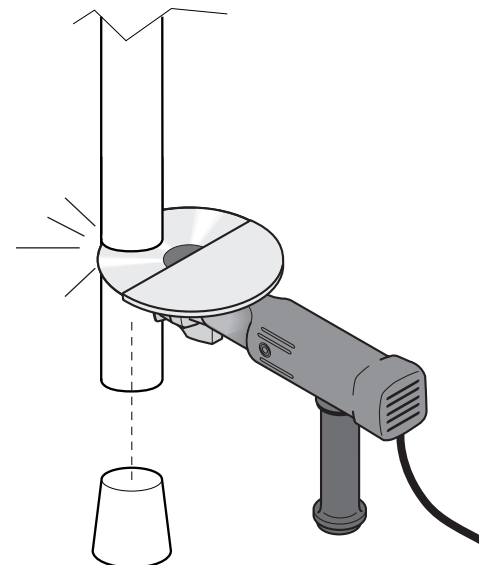

F En cas de hauteur autre que 1200 mm il est nécessaire, de couper le profil en aluminium comme indiqué sur la figure. (retirer le bouchon, couper, ébavurer et remettre le bouchon).

E Si se necesita una altura que no sea 1200 mm corte el perfil de aluminio tal como se muestra al la figura. (quitar el tapón, corte, desbarbar y poner el tapón).

GB If a height different to 1200 mm is required, cut the aluminium profile as shown in the figure. (remove the end cap, cut, file and replace the cap).

D Falls eine andere Höhe als 1200 mm gewünscht wird, kann der Aluminium-Profil, wie in der Abbildung angegeben, zugeschnitten werden. (Ventilkappe abnehmen, schneiden, feilen und die Kappe wiedersetzen).

NL Als er een andere hoogte dan 1200 mm is vereist moet het profiel afgezaagd worden zoals aangegeven op de afbeelding (dop verwijderen, afzagen, vijlen en dop weer aanbrengen).
